

Ron Grimes

Chief of Staff

Ron is Congressman Ryan's chief policy advisor. He directs and manages the D.C. and district offices.

Erin Isenberg

Office Manager and Scheduler

Erin monitors all matters related to personnel and pay roll, and ensures that office policies and procedures are followed. As the scheduler she maintains the Member's official schedule, travel plans, and related records and acts as a liaison for the Member with the staff, public and other Members.

Erick Sanchez

Communications Director

Erick plans, develops and implements a communications plan, is responsible for public information, and evaluates the outreach and press activities of the office. Erick manages and executes all aspects of the Congressman's new media ventures. This includes Facebook,

YouTube, and all other online media outlets. He also organizes and updates Congressman Ryan's official website.

Ryan Keating

Legislative Director

Ryan is the primary legislative advisor for the Congressman. In addition to staffing the Labor, HHS, and Education Appropriations Subcommittee, Ryan establishes the Congressman's legislative agenda, directs legislative staff, serves as a resource for legislative assistants, and acts as the primary staffer for issues related to labor, health care, and education.

Robert Bacon

Legislative Counsel

Robert advises Congressman Ryan on issues related to trade, foreign policy, financial services, taxation, criminal justice, and civil rights. Robert is also in charge of monitoring the following Appropriations Subcommittees: Commerce, Justice and Science; Financial Services; Legislative Branch; and State, Foreign Operations.

Ken Moss

Legislative Fellow

Ken advises Congressman Ryan on issues related to transportation, housing, and the environment, in addition to monitoring the Transportation, HUD Appropriations Subcommittee and the Interior and Environment Appropriations Subcommittee.

Michael Julian

Legislative Assistant

Michael manages and executes all aspects of the mail and constituent response process. Michael also advises Congressman Ryan on issues related to agriculture, immigration, homeland security, telecommunications, government oversight, and campaign & election law while staffing the Homeland Security, Legislative Branch, and Agriculture Subcommittees of the Appropriations Committee.

Erica Antonson

Legislative Assistant

Erica advises Congressman Ryan on issues related to energy, the environment, and

transportation and infrastructure while serving as the primary staffer for the Energy and Water Subcommittee of the Appropriations Committee.

Janna Pea

Constituent Liaison □

Janna manages the front office operations. She greets visitors, answers constituent requests for general information, and arranges tours, flags requests and other inquiries. Janna also trains interns and assists with the constituent response process.
